Captain Edith Rickenbacker
Eastern Air Lines
15 Rockefeller Plaza
New York 20, New York

Dear Captain Rickenbacker:

I am inclosing several copies of our national publication, CAP
TIMES, which include a photograph of one of your pilots, Captain
David W. Ferris, taken during a recent visit to National Headquarters.

Captain Ferris, serving as executive officer of the New Orleans
Civil Air Patrol cadet squadron, is one of our most dedicated and
enthusiastic officers and is doing a tremendous job training and
preparing the young boys and girls--JAT cadets--for their responsi-
bilities in the aerospace age. His squadron is one of the finest
of our 1,400 such units throughout the 50 states and Puerto Rico.

Captain Ferris and the other Eastern cadets in Civil Air
Patrol are contributing in a large measure to the successful
accomplishment of the CAP mission.

Sincerely,
